History of Ronald McDonald House Charities South East Queensland

Ronald McDonald House Charities South East Queensland (RMHC SEQ) is the largest RMHC chapter in Australia, and was established in 1990 with the opening of the Mater House, followed by the Herston House in 1995. The Mater House was closed in 2016 when the South Brisbane House was opened. Since opening, RMHC SEQ has supported nearly 70,000 families of seriously ill and injured children.

"Having Ronald McDonald House meant I could be close to Samuel, which was huge for me as leaving him at the hospital was already so emotionally hard for me. The staff were like family, so kind and supportive, and being alone for much of my journey it was so nice to have their kind faces and helpful, caring support."
