## About Ronald McDonald House Charities South East Queensland

Ronald McDonald House Charities South East Queensland cares for families with children who are ill or injured. We provide essential services that remove barriers, strengthen families, and promote healing when children need healthcare, including accommodation.

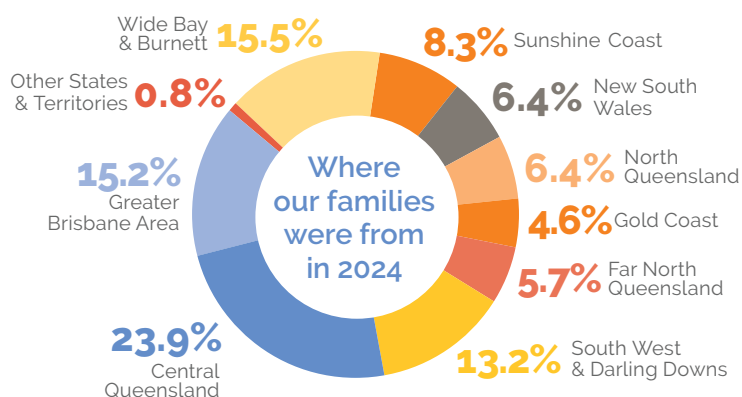

Ronald McDonald Houses help families stay together in the midst of physical, emotional and financial stress, while being supported by dedicated and friendly staff and volunteers.

# OUR IMPACT

## SOUTH WEST & DARLING DOWNS

"During our 10 months at RMHC SEQ, our son was able to continue his education through the Queensland Children's Hospital (QCH) school whilst our daughter was in intensive care at QCH. Ronald McDonald House Charities South East Queensland allowed our family to remain together during the hardest year of our lives and we are so thankful for the generosity of so many that made that possible."
